

TADWORTH PRIMARY SCHOOL

CHARGING & REMISSIONS POLICY

Autumn 2018

Tadworth Primary School

Charging & Remission Policy

Statement of Policy

Tadworth Primary School aims to value each pupil as an individual and enable them to achieve their full potential through a wide variety of opportunities and experiences. This document sets out the school's policy for charging for the provision of this wide variety of opportunities and experiences. Whilst the intention is to apply the policy equally in order to promote fairness, every effort will be made to ensure that no child is prevented from participating because of financial circumstances.

Day Trips

- Charges levied for day trips will represent the actual cost of providing the trip. No profit will be made.
- Where the trip occurs during the school day, parents will be asked for a voluntary contribution to cover the cost of their child's participation.
- Every effort will be made to ensure that the voluntary contributions are made but, if insufficient funding is received, the school reserves the right to cancel the trip.
- Once a trip has been paid for, there will be no reimbursement for absentees on the day.
- Where a child may be prevented from participating in an outing because of financial hardship, consideration should be given to reducing the voluntary contribution expected. Any shortfall is to be met from the School Fund.
- Where sponsorship or donations have been received towards the cost of the trips, it is for the school to decide how to use them. Contributions may be offset against the cost of the trip as a whole or used to reduce or remit the charge for individual children who would be unable to participate because of financial hardship.
- Children will be treated equally regardless of the amount of voluntary contribution made by their parents.

Experiences offered in School – related directly to the school's curriculum

- Each phase is responsible for providing enhanced learning experiences within school.
- The cost of providing these experiences is to be met by a voluntary contribution sought from parents of children within the phase who will benefit. The school will subsidise where possible from either the phase budget or school fund.
- It is not expected that there will be any profit made.
- Where voluntary contributions are sought, the school reserves the right to cancel if insufficient funding is received.
- No child is to be prevented from participating because a voluntary contribution has not been received but parents will be encouraged to pay.

- Once a voluntary contribution has been made, there will be no reimbursement for absentees on the day.
- Children will be treated equally regardless of the amount of voluntary contribution made by their parents.

Residential Trips

- Charges levied for residential trips will represent the actual cost of providing the trip. It is not expected that there will be any profit made.
- An initial deposit is usually requested for such residential trips with the remaining cost paid in instalments. This initial deposit is non-refundable should a child subsequently not participate in a trip. A request for the refund of any further payment must be made in writing by the parent and, if the cancellation is due to illness, a medical certificate may be required.
- Where sponsorship or donations have been received towards the cost of the trips, it is for the school to decide how to use them. Contributions may be offset against the cost of the trips as a whole or used to reduce or remit the charge for individual children who would be unable to participate because of financial hardship.
- Children will be treated equally regardless of the payment made by their parents.

Contribution to the School Fund & Special School Fund

- The school fund exists to enhance the learning experiences of the children at Tadworth Primary School. It could be used to provide, for example, visits from theatre companies or curriculum related workshops. Funds raised via the Special School Fund are primarily used to enhance the computing facilities available in school.
- Contributions to the fund are made by local charities and commission from organisations using the school, e.g. the school photographer.
- Parents are asked to make voluntary contributions to the Special School Fund, all pupils will be treated equally regardless of whether we receive contributions; the suggested contribution is £5 per month per child.

Clubs

- The school may charge for clubs that are not part of the National Curriculum. The money paid goes into a central clubs kitty which is used for resourcing and funding the clubs programme.
- The PTA may make an annual contribution to the cost of clubs when they are not self funding.
